

To Whom It May Concern:

We will be holding a fundraiser on Saturday, Nov. 7 to benefit **911 Dog Rescue/Amy's Adoptable's** and are looking for donations to be used for baskets for our Chinese Auction.

Your donations are tax deductible. Our Federal Tax ID number is: 47-2395797. We are also considered a 501(c)(3), charitable organization. If you need an acknowledgement for tax purposes, please contact us.

You can find us on Facebook at: Amy P Beam, or our website: www.amysadoptables.com

911 Dog Rescue/Amy's Adoptable's is a non-profit organization founded by Amy Beam. Amy works out of her home and takes in any dog as long as it has the ability to be a family pet. Amy and her team of foster families rehabilitate the dogs, and then places them in loving homes. Amy does complete vetting of these dogs before they are placed.

Your donation of either a gift card/gift certificate or merchandise from your business, goes directly to the fundraising event. Generous businesses and corporations, such as yours, is how Amy survives. 100% of every dime goes directly towards the health and well-being of the dogs. Amy's ability to continue to operate is due in large part also to individual donors who believe in Amy's mission.

Amy has recently partnered with the Lake Erie Correctional Facility to help rehabilitate inmates and train the dogs. We are honored to be part of this program and are grateful for this opportunity to be able to adopt out well trained dogs as a result. This program also runs entirely on donations. Please send all donations to:

911 Dog Rescue, Inc.

33915 Roberts Rd.

Eastlake, OH 44095

Or call, and someone will be glad to pick up your donation: 440-289-1515

Thank you for considering our rescue!

Respectfully, Amy Beam

Founder & Director
